Distinguished Mentors and students awards status- Bill

Jerry sent an email listing the committee members. The timeline is 2 weeks from today to make our recommendations. Bill is working on pulling the finances together to find out how much money there is for the awards. We will rank both categories during next Tuesday's meeting. Dave H. is chairing the student sub-committee and Omar W. is chairing the mentor subcommittee. Committee members should read the nominations ahead of time and be prepared to discuss their choices. All entries after the Friday deadline will not be accepted.

All Students Meeting with Pete Nanos- July 24 - Main Auditorium 8:30-10 AM

An email will be sent out by Carole R. and Robert S. reminding students.
